

Items	Product	Material	Care Instructions	Storage Instructions	Tips to User
<b>Jewellery &amp; Accessories</b>					
1	General Jewellery Care	925 Sterling Silver 95K Yellow/White Gold Semi Precious Stones	Occasionally clean with jewellery polishing cloth to avoid tarnish Or gently polish with sodium bicarbonate (baking soda) Wipe sea stone with jewellery polishing cloth	Store in dry place or Seal items in air-tight bag (ziploc)	
2	Jet Set Rock	925 Sterling Silver 95k White Gold Sea washed stone Plexi Glass	Occasionally clean with jewellery polishing cloth to avoid tarnish Or gently polish with sodium bicarbonate (baking soda) Wipe sea stone with jewellery polishing cloth	Store in dry place or Seal items in air-tight bag (ziploc)	
3	Heartfelt Brooch	Wool felt Fresh water cultivated pearls	Wool is a resistant material and does not need frequent cleaning Occasionally clean felt with lint removal roll Wipe your pearls with a soft, lint-free cloth as soon as you take them off. The cloth can be dampened with water or it can be dry. If damp, allow the pearls to air dry before putting them away Natural dye may leave faint stain on white surfaces	Store in dry place Avoid smokey places! Your pearls will stay cleaner if you put them on after you've applied your makeup and perfume. Be sure to take off your pearl accessory before you apply hand and body creams	Give it a squeeze for a sculpted voluminous effect Position pin vertically
<b>Leather Accessories</b>
